WestBow Press, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Body language, music, visual displays, and even different sounds are methods of communication, but words still remain the primary method for transfer of thought. Perhaps someday in the future, humans will be able to exchange information from the brain to another person directly. But for now, we are generally limited to our language and the fragile and imprecise medium of words. The basic problem with words is that they mean different things to different people. In his teaching, Jesus used a method of using words to convey a lesson, called a parable, an earthly story with a heavenly meaning. Trying to understand or to define words is often no easy task and occasionally requires a unique methodology to accomplish the purpose. Tomorrow s Sights and Sounds attempts to demonstrate an effective use of words by definition, poetry, devotionals, lessons, and a review of holidays and their religious connection. God has shown you, O man, what is good. And what does the Lord require of you? To act justly, and to love mercy and to walk humbly with your God. (Micah 6:8).
