Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Buddhist Essays The following essays contain nothing new or original concerning Buddhism, but they may perhaps serve to render easier the understanding of some so-called obscure points in the teaching of the Buddha. What claim - if any - this work may have to superiority over many others upon the same subject, rests in this that it is the outcome, not only of the study of books, but also of personal intercourse with native scholars both in Ceylon and Burma. The quotations, where no other sources are given, are for the greater part taken from the Middle Collection of the Second Book of the Pali Canon - the Majjhima Nikaya - which, in K. E. Neumann's beautiful translation, is by far the richest mine of Buddhism that has been made accessible to us during the last decade. So far as has appeared necessary to a full understanding of the text, references in the original tongue have been added, but as the book is designed for the lay reader alone, no particular effort has been made to meet the demands of an exacting scholarship.
