BRILLIANCE AUDIO, United States, 2015. CD-Audio. Book Condition: New. Unabridged. 170 x 135 mm. Language: English . Brand New. While marriage is complicated, Harriet Lerner shows us that the how-tos of a good marriage need not be. Following a unique format perfect for today's world, Lerner's more than one hundred rules cover the hot spots in long-term relationships. She reminds us of our own common sense, while challenging us to be bold in bringing about positive change. Lerner gives new solutions to age-old problems ( He won't talk / She doesn't want sex ) as well as modern ones (your partner's relationship to technology). Other topics include: calming things down and warming them up; talking straight and fighting fair; meeting the challenges of children, stepchildren, and difficult in-laws; overcoming defensiveness (the archenemy of listening and problem solving); knowing how and when to draw the line; and what to do when things fall apart (addictions, affairs, and impossible partners). Marriage Rules is an innovative rescue manual, rich with to-the-point advice and illuminating stories told in Lerner's signature style. It offers a quick, joyful read and a map for success.
