*I just started off reading this article pdf. It really is simplistic but shocks in the fifty percent of your ebook. You will not truly feel monotony at at any time of the time (that's what catalogues are for about when you request me).*

## I WILL BE FOUND: . .COME NEAR TO ME, AND I WILL COME NEAR TO YOU. (PAPERBACK)

Marcie Temple, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.I WILL BE FOUND was written entirely from my daily journaling. I write what I m thinking, my hopes and dreams and I pray, study and spend time with God in the morning. I love him and I let him know it, I seek him like hidden treasure, like Dorothy was seeking OZ, like Mary Poppins was seeking connection for the Banks family and like Maria in Sound of Music was seeking the truth of who she really was, who she was created to be. It s become fun for me, a priority that I WILL not and cannot ignore any longer. God shows up all the time when we pay attention, when we focus on Him. I may see Him in my daughters eyes or through watching others interact. I may see him on Facebook working through people on threads. I see Him in nature a lot and now feel, that I am part of ALL of creation moving with the Universe beyond the physical. We are so much more than we believe, we are connected to and created by a powerful force, which I call God Almighty and I know now that I can see what I m WILLing to see. This book healed me. My hope is that it will open your eyes to an understanding of God, way bigger than you have ever imagined. I self-published this book and if you open and read and are lifted to another place, then you get it; it s done its job. If you focus on the mistakes found in structure, grammar and layout, it s still done its job. I ve come to the realization...
