Transworld Publishers Ltd. Paperback. Book Condition: new. BRAND NEW, Seven Spiritual Laws of Superheroes: Harnessing Our Power to Change the World, Deepak Chopra, Given the state of our planet, it is no coincidence that superheroes have captured our imagination like never before. Superheroes are imbued with magical powers that challenge the laws of space and time, and offer us a vision of a world that can change. By exploring the boundaries of energy and awareness, superheroes can help us save the planet in a very real way. From Buddha's search for truth, to Batman's struggle with his dark side, from Wolverine exposing his greatest fears, to Hanuman's divine gifts of inspiration, bestselling author Deepak Chopra and his son Gotham, author and co-founder of Liquid Comics, decode the essential laws that govern the realm of superheroes. As they explain the importance of these seven transformative laws and how they can help us all to achieve greater happiness and courage, balance and creativity, they also reveal how each law has the potential to awaken us to our own superpowers. Together, they offer the potential to change our lives and the world around us.
