A gift to encourage hearts and create fond farewells. Life has thousands of goodbyes-some of them easy, some of them considerably more difficult. This four-color, from-me-to-you book celebrates relationships and lasting bonds . . . even when we have to say goodbye. Just like in real goodbyes, the writing style is a mix of sentiment, humor, and pragmatism. This is the first book in the marketplace dedicated to some of the key transitional moments in life.
