Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

CHAPTER XI THE SPIRIT OF THE CUSHIONS KID SHERWOOD S block-long business street was silent, dark and deserted. The one gleam of light in the night was from the incandescent that hung above the big safe in the offices of the Muir Lumber Company. Examining the strong-box with the calmly critical eye of an expert stood Boston Blackie. He ran his hand delicately over the burnished steel, fondled the combination knobs and turned to the masked man with him who was unpacking a suit-case. It s a good box, he said. Let s get at it. It will take a half-hour to cut into it, and that hick watchman might get back before his time. Two steel cylinders that just filled the bottom of the suit-case were taken out and set up before the safe. From each a hose led to a metal nozzle punctured by a tiny blow-hole. A heavy curtain of blankets was carefully draped above and around the outfit to cut off from the street the dazzling, bluish light of the flame that was to eat through the solid steel. Boston Blackie took off his mask, replaced it with heavy automobile goggles and then crawled beneath the blankets, which were propped away from the door of the safe by chairs. If the copper comes before I finish, don t forget US what I told you, he warned. His companion nodded assent. From beneath the blankets there began a hissing, spluttering...
