

## Common Sense Penguin Civic Classics

Filesize: 7.31 MB

### ***Reviews***

*This pdf will not be simple to start on reading through but extremely enjoyable to see. I have read and i also am sure that i will planning to read through again once more in the foreseeable future. You wont really feel monotony at whenever you want of the time (that's what catalogues are for relating to if you request me).*

Penguin Books. Paperback. Book Condition: New. Paperback. 160 pages. Dimensions: 7.3in. x 4.2in. x 0.5in. The radical pamphlet that helped incite the American Revolution Penguin presents a series of six portable, accessible, and above all essential reads from American political history, selected by leading scholars. Series editor Richard Beeman, author of *The Penguin Guide to the U. S. Constitution*, draws together the great texts of American civic life to create a timely and informative mini-library of perennially vital issues. Whether readers are encountering these classic writings for the first time, or brushing up in anticipation of the 50th anniversary of the Civil Rights Act, these slim volumes will serve as a powerful and illuminating resource for scholars, students, and civic-minded citizens. *Common Sense* is the book that created the modern United States, as Paine's incendiary call for Americans to revolt against British rule converted millions to the cause of independence and set out a vision of a just society. Published anonymously in 1776, six months before the Declaration of Independence, *Common Sense* was a radical and impassioned call for America to free itself and set up an independent republican government. Savagely attacking hereditary kingship and aristocratic institutions, Paine urged a new beginning for his adopted country in which personal freedom and social equality would be upheld and economic and cultural progress encouraged. His pamphlet was the first to speak directly to a mass audience; it went through fifty-six editions within a year of publication and its assertive and often caustic style embodied the democratic spirit he advocated. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
