Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. It was a June morning in Kentucky. The doctor s nephew coming at a gallop down the pike into Lloydsboro Valley, reined his horse to a walk as he reached the railroad crossing, and leaning forward in his saddle, hesitated a moment between the two roads. The one along the railroad embankment was sweet with a tangle of wild honeysuckle, and led straight to the little post-office where his morning mail awaited him. The other would take him a mile out of his way, but it was through a thick beech woods, and the cool leafage of its green aisles tempted him. A red-bird darting on ahead suddenly decided his course, for following some quick impulse, as if the cardinal wings had beckoned him, he turned off the highway into the woods.
