## PIKETTY S CAPITAL IN THE TWENTY-FIRST CENTURY (PAPERBACK)

College Publications, United States, 2014. Paperback. Book Condition: New. 232 x 156 mm. Language: English . Brand New Book. Thomas Piketty s book Capital in the 21st Century has already attracted more serious attention than any economics book published in the last seventy-five years. This collection of 17 essays by some of the world s most prominent economists explores Piketty s book at depth and from various vantage points. Here is what economists around the world are already saying about this book. Marx s Capital is strong on theory but, it detractors allege, weak on data. This raises a fundamental question for people around the world: How do we achieve a better world through economic policies? This global collection addresses that question and explores theoretical explanations for Piketty...
