STATISTICS AND DEVELOPMENT ISSUES

Mittal Publications, 2012. Hardcover. Book Condition: New. This book presents several current issues of economic development and statistical intervention. The specialized research papers on diverse areas will be a relevant resource set for economists, planners and the researchers in related areas. It will help generate a better idea on the role of statistics in policy and programme implementation. The book has four parts. The first part of this book mainly focuses on official statistics, capacity building and core issues in a...
