

Living at the Crossroads: An Introduction to Christian Worldview

By Michael W Goheen, Craig G Bartholomew

Baker Academic. Paperback / softback. Book Condition: new. BRAND NEW, Living at the Crossroads: An Introduction to Christian Worldview, Michael W Goheen, Craig G Bartholomew, How can Christians live faithfully at the crossroads of the story of Scripture and postmodern culture? In Living at the Crossroads, authors Michael Goheen and Craig Bartholomew explore this question as they provide a general introduction to Christian worldview. Ideal for both students and lay readers, Living at the Crossroads lays out a brief summary of the biblical story and the most fundamental beliefs of Scripture. The book tells the story of Western culture from the classical period to postmodernity. The authors then provide an analysis of how Christians live in the tension that exists at the intersection of the biblical and cultural stories, exploring the important implications in key areas of life, such as education, scholarship, economics, politics, and church.
