Orca Book Publishers. Paperback / softback. Book Condition: new. BRAND NEW, The Dream Where the Losers Go, Beth Goobie, She began dreaming about him in the dark dream, the one with the endless tunnels, stone walls that slid by cold under her fingertips, invisible because it was too dark to see. Hand outstretched, she would move forward, never knowing if she was progressing toward an exit or if at some point she had turned around and begun moving back toward the place she had come from, a place she could not remember. No one knows why she hurt herself, least of all Skey. After five long months in treatment for self-destructive behavior, Skey continues to dream of dark tunnels with mysterious designs carved into their stone walls, a place where she is safe and alone. Then she encounters another dreamer, a boy her own age, dreaming the same dream, wandering the same tunnels. A boy with secrets much like her own. While trying desperately to remember what happened that sent her away and who the boy is that she met in the dream tunnels, Skey's life plummets farther out of control. When she realizes her friends do not have her best interests at heart and they may be the reason she is lost, Skey must face her fears and the truth of the dream tunnels, and find her way back to solid reality. Beth Goobie has written a number of novels for teens that tackle topics dark and mysterious. Her most recent novels include Fixed (Orca, 2005), Flux (Orca, 2004) and The Lottery (Orca, 2002). She has also written a number of novels in the Orca Soundings series.
