

Autobiography by John Stuart Mill: Autobiography

By John Stuart Mill

Createspace. Paperback. Book Condition: New. This item is printed on demand. Paperback. 186 pages. Dimensions: 9.0in. x 6.0in. x 0.4in. John Stuart Mill, (20 May 1806 8 May 1873) was an English philosopher, political economist and civil servant. He was an influential contributor to social theory, political theory and political economy. He has been called the most influential English-speaking philosopher of the nineteenth century. Mills conception of liberty justified the freedom of the individual in opposition to unlimited state control. He was a proponent of utilitarianism, an ethical theory developed by Jeremy Bentham. Hoping to remedy the problems found in an inductive approach to science, such as confirmation bias, he clearly set forth the premises of falsifiability as the key component in the scientific method. Mill was also a Member of Parliament and an important figure in liberal political philosophy. This item ships from La Vergne, TN. Paperback.
