Reviews

This is the finest book i have got go through right up until now. I have got read and i also am confident that i am going to planning to read once again yet again in the future. You will not truly feel monotony at at any time of the time (that's what catalogs are for about if you check with me).

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.An excerpt of a review from Man, Volume 15: THE original Handbook of Folklore, published in 1890, has long been out of print, and unobtainable except at a price far above that at which it was issued. Although the present handbook retains the name and the general scheme of classification of the original work, it has been so completely re-written and expanded that it has become, to all intents and purposes, an entirely new book. Its appearance, which, for several years, has been expected by students of its subject, has well fulfilled their anticipations, and Miss Burne is to be congratulated on its completion, for she undertook it simultaneously with, and in addition to, other important literary work connected with the Folk-Lore Society. Divided into three parts- Belief and Practice, Customs, and Stories and Savings -the book covers the whole of that learning of the people (whether they be or be not what we call civilised folk) which is termed, shortly, Folklore. The headings of the chapters show the fascinating nature of the field to be covered, and the importance of the subject to the ethnologist-The Soul and Another Life; Superhuman Beings; Omens and Divination; The Magic Art; Disease and Leechcraft; Social and Political Institutions; Rites of Individual Life; Occupations and Industries; Calendar Fasts and Festivals; Games, Sports, and Pastimes; Stories; Songs and Ballads; Proverbs and Riddles; to take some of them-while the number of examples quoted in illustration of the subjects dealt with make the book engaging to the general reader. An excellent introduction describes what folklore is and what it covers- every thing which makes part of the mental equipment of the folk, as distinguished from...
