

## THE SECRET WEAPON AGAINST TERRORISM

By Owino Ogwen Daniel

Xulon Press. Paperback. Book Condition: New. Paperback. 256 pages. Dimensions: 8.9in. x 6.0in. x 0.8in. In this book, Ogwen is not seeking God's best answer for terrorism but God's personal intervention. He points out the difference it makes when God Himself shows up in the hearts of both the terrorist and the terrorized. In this book, however, Ogwen compellingly turns the light on to the prescriptive and transformative Secret Weapon Against Terrorism. He maintains: Our greatest desire is to bring back civility, sanity and security so that we can travel, work and gather in social places without fear. We don't seek to understand terrorism more than we long to stop it. This book, therefore, doesn't describe the problem, it prescribes the solution. In the morning hours of January 22nd 1989, Ogwen stumbled on what he had been unknowingly seeking—something that would quench the sensual cravings in his life....

*This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that I am sure that I will go on to read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.*
