

The Wooden Horse: The Classic World War II Story of Escape

Filesize: 2.89 MB

Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.
(Prof. Loyce Runolfsson Jr.)

Skyhorse. 1 Paperback(s), 2014. soft. Book Condition: New. Royal Air Force bomber captain Eric Williams was shot down over Germany in 1942 and was eventually imprisoned in the German POW camp Stalag Luft III. Ten months later, he escaped thanks to an ingenious plan in which he and fellow prisoners dug a tunnel, disguising their work under a wooden exercise horse story that became a legend among servicemen long before this book appeared in 1949. In this thinly fictionalized retelling, Williams relates the construction of the tunnel and how they hid the large quantities of sand they dug, the escape itself, and his journey on foot and by train to the port of Stettin, where Williams and a fellow escapee stowed away aboard the Danish ship Norensen. 264.
