By Emanuel Swedenborg

Swedenborg Foundation, United States, 2010. Paperback. Book Condition: New. Portable new century ed. 211 x 140 mm. Language: English . Brand New Book. The first major theological work of the Swedish scientist-turned-seer Emanuel Swedenborg, Secrets of Heaven is in one sense a traveler s account. It reveals the unseen realms that await beyond death--the light, the warmth, and harmony of the angelic heavens and the varied darkness of the multitudinous hells. But in addition, the work offers a detailed examination of Genesis and Exodus, providing a model for a new way to understand the entire Bible. Prized for both the simplicity of its explanation and the breadth and depth of its vision, Swedenborg s reading of Scripture discloses layer upon layer of inner meaning, all without undermining the power and import of the literal word. The New Century Edition of the Works of Emanuel Swedenborg is a modern-language, scholarly translation of Swedenborg s theological works. The series easy-to-read style retains the dignity, variety, clarity, and gender-inclusive language of Swedenborg s original Latin, bringing his thought to life. This portable edition of Secrets of Heaven vol. 1 includes the text of the New Century Edition without the introduction, annotations, and other...
